

 Nobis Pacem

A close-up photograph of a dark blue car window. The window is highly reflective, showing a distorted view of a street scene with trees and buildings. In the center of the window, there is a white logo consisting of a shield with a stylized 'N' and a checkmark, followed by the text 'Nobis Pacem' in a bold, sans-serif font. The bottom edge of the image shows the red taillight of the car.
